Application Processing Time Management makes every effort to process applications within 24 to 48 business hours of receipt (pursuant applicant provides all necessary paperwork). Processing can take several days if we do not receive response from previous/present landlords, employers, and other references. Management will make a reasonable attempt to contact previous and present landlord(s) submitted by Applicant. However, the ultimate responsibility for supplying this information to Management lies with the applicant.

NOTE: Management reserves the right to deny tenancy on the basis of an inability to contact the references provided. Some properties are in high demand! In some cases, there may already be applications submitted at the time you submit your application. We cannot guarantee any unit; units are rented to the first approved applicant with the full security deposit paid. A security deposit will not be accepted until the rental application is approved.
